All participants on the Property Care Association, Continuous Professional Development Scheme (CPD) agree to collect 25 CPD points over the space of one calendar year. The allocation of points will be based on time spent studying. An allocation document can be obtained from the Association for guidance. Where any doubt over the allocation of points exists, the participant should contact the PCA for clarification.

In order to successfully renew registration, all scheme participants will be required to forward a scheme renewal form along with the appropriate registration fee (currently £30.00 +VAT) to the scheme administrator at the PCA offices.

Failure to achieve and register the required number of CPD points over the preceding year or failure to submit a properly completed scheme renewal form will result in exclusion from the Association's CPD scheme.
